

# *M & M Day Preview*

## **SCENE THREE**

*KENZIE and ALLIE are looking at magazines in the hospital waiting room, as PAM and JANA walk in.*

**KENZIE** Well, how was it?

**PAM** Pure torture.

**JANA** Oh, Mom, it was not.

**PAM** Close enough for me. Okay, people, here's the deal. I know we said we'd do lunch, but I feel like ice cream first.

**ALLIE** Yeah!

**KENZIE** Good call, G-ma! *(She does a high five with Pam.)*

**JANA** Mom, what kind of message does that send the girls?

**PAM** Hey, I got the mammogram. I sent the best message already. The woman who goes before the Squish Monster should get to pick the first activity.

**JANA** What about me? I did it too.

**PAM** I'm driving. I think I'm calling the shots.

**KENZIE** *(pointing to Allie)* She wins.

**JANA** I give up.

**ALLIE** *(she clutches PAM's arm and they all start to walk out.)* What kind are you going to get, Grandma?

**PAM** I don't know. What do you like?

**ALLIE** They've got blue raspberry ripple with Nerds candy in it. It's the best!

**PAM** Umm, I've had enough adventure for one day. I think I'll stick to my vanilla ice cream... with M & M's.
